Gainsboro is creative!!

Embrace your curvy silhouette!

Document your beautiful babies growth.

Take the first portrait when you first become pregnant, then, beginning at month 6 and as close to 9 months as possible. Then for the grande finale, holding your amazing newborn baby!

**Our special maternity  
membership series includes :**

- Four petite baby -bump sessions.  
(at 3, 6, and 9 months gestation)

AND a full newborn session (between 2 and 14 days old\*)  
Our special keepsake created just for you will be a beautiful custom framed "Maternity Panel." This includes four images, one from each of your portrait sessions. and one of you holding your newborn all on a framed classic black background.

This portrait package is

**\$650.00**

if purchased separately from our  
milestones  
membership plan.

If purchased with our milestones  
membership  
plan it is at a very special price of only  
only **\$450.00**

\*(milestone participants also have the option of a full 9 month  
maternity session as opposed to a newborn full session)

Failure to complete the required sessions  
will result in the cancellation of your portrait plan benefits.

\* minimum purchase for the newborn session is required of 150.00
